Sensing the ever-growing need for competent and highly trained professionals endowed with technical skills and aptitude to operate in the highly complex and technology driven industrial environment, the SMS Society, a philanthropic social organisation, registered under the Societies Registration Act, 1860, established an autonomous nonprofit educational centre, School of Management Sciences (SMS), in Varanasi with avowed mission of imparting highly innovative management and computer education in the eastern part of India which was expected to be the need of the hour in the country's economy heading so fast towards globalisation.

With a modest beginning in 1995, the SMS has never looked back. It has made consistent endeavours over the years to prove its national character as a Centre of Excellence in Management and Computer Education. The goal of the MBA & MCA programme is to develop future management leaders, business crusaders and managerial decision-makers, capable of effectively addressing to the plural corporate responsibility at the domestic plus global platform and be equally sensitive to the wider social aspiration.

While distinguishing itself from the usual programmes in Information Technology, the programme develops professionals to strengthen the structural core capabilities needed particularly for a software organisation.

The School of Management Sciences has already actuated the Centre for Corporate Training & Research (CCTR) at Mumbai for better Institute-Industry interaction and the Centre for Spiritualism & Human Enrichment (C-SHE) at Varanasi in the Campus itself for cultivating the individuals into ideal human beings by blending of traditional values with modern thoughts.
